

Custom Wound Magnetics

Badger Magnetics, Inc. "Conflict Mineral" Policy Statement

As a result of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the "Conflict Minerals" rules that the U.S. Securities and Exchange Commission adopted, Badger Magnetics, Inc. has prepared the following statement.

Badger Magnetics, Inc. supports the legislation as it applies to minerals originating from the Democratic Republic of Congo or the adjoining countries such as; Angola, Burundi, Central African Republic, the Republic, the Republic of the Congo, Rwanda, South Sudan, Tanzania, Uganda, and Zambia.

"Conflict Minerals" consist of the following:

Columbite-Tantalite (Coltan refined into Tantalum (TA)
Cassiterite refined into Tin (SN)
Wolframite refined into Tungsten (W)
Gold (AU)

Badger Magnetics, Inc. does not purchase any of the "Conflict Minerals" directly, but as a responsible company has asked our suppliers to declare their smelter's details. In most cases, our suppliers have provided details to us in the form of an EICC statement. We will continue to work with our suppliers to ensure that only products containing "Conflict Free Minerals" are supplied to us.

Sincerely,

James M. Beckman, President
